Summer Momentum at CHA

This summer, we're celebrating exciting milestones across Civic Health Alliance—from recognizing our new Spark Champions to preparing for our next national webinar and welcoming a new member to our team. Together, we're building a growing community of healthcare professionals, students, and advocates advancing health through civic engagement.

50+ Champions enrolled

Goal: 1,000 Champions by November 2026

Thank you for being part of the movement.

Celebrating Our New Spark Champions

We're excited to celebrate the **first group of Champions** who have completed their Champion Training and sign-off, earning their personalized **Spark Champion Certificate** and taking the first step in the Champion Journey.

This month, we were proud to award Spark Champion certificates to:

Alexandra Greenberg

Dr. Okey Enyia

Munashe Samuel Mawire

Liz Gibboney

Gabrielle Shore

Ready to Become a Spark Champion?

Free Outreach Materials for Champions

One conversation can make a difference. We're happy to send you free 1,000 Caring Voices postcards make it easy to introduce others to the campaign and invite them to become Champions.

Save the Date: *All In: A Civic Health Gathering for the Fall*

Join us for **ALL IN: A Civic Health Gathering for the Fall**, a free virtual event hosted by Civic Health Alliance and the 1,000 Caring Voices community.

Thursday, August 27, 2026

6:00 PM ET

Virtual | Free and Open to All

<https://qrco.de/bgurjg>

As summer winds down, we'll come together to reconnect, hear from inspiring speakers, and explore practical ways to advance civic health in our communities. You'll hear from healthcare professionals, community leaders, and partners from across the country—and leave with new ideas, connections, and inspiration for the months ahead.

Whether you're already part of the 1,000 Caring Voices community or are just getting to know us, we'd love to have you join us!

Meet Our New Intern: Gabrielle Shore

We are excited to welcome **Gabrielle Shore** to CHA as our newest intern!

Gabrielle is a rising junior in the dual-degree program between Sciences Po Paris and Columbia University, where she studies Politics and Sustainable Development. Originally from the San Francisco Bay Area, she previously interned with an immigration legal services nonprofit in Berkeley.

Gabrielle believes that politics and public health are deeply connected, and we're thrilled to have her join our team. Please join us in giving her a warm welcome!

Help Keep the Momentum Going

Every Champion needs the tools, training, and support to lead meaningful civic engagement in their community.

A gift of **\$100 helps train and support one local Champion**, bringing us closer to our goal of activating 1,000 Caring Voices and reaching 15,000 people across the country.

Every contribution—at any amount—helps keep this movement growing.

Donate to CHA: <https://www.civichealthall.com/#donate>

YOUR DONATION IS A HEALTH DECISION.

Democracy and health are inseparable. When communities can't access the ballot—because of systemic barriers, disenfranchisement, or a lack of trusted voices—their health suffers for it.

Civic Health Alliance is a small, volunteer-powered organization doing big work. In 2026, we're mobilizing 1,000 Caring Voices Champions: healthcare workers, educators, and community leaders to register voters, lead civic conversations, and make sure every eligible person can participate in the decisions that shape our health.

The 2026 midterms are months away. Congress is voting on the future of Medicaid, the Affordable Care Act, and maternal health funding. The window to act is now, and we need your support to keep this work going.

\$25 trains a Champion.

\$100 funds a community event.

\$500 supports a month of outreach.

Can't give a lot right now? A monthly gift of just \$10 keeps a Champion equipped and engaged all year long. Recurring gifts, no matter the size, are what allow us to plan, sustain, and grow this work through November 2026 and beyond.

Thank you!

Thank you, as always, for being part of the CHA community. We look forward to hearing from you!

In solidarity,

The CHA Team
